Salt Creek Watershed Joint District No. 104 Notice to Bidders

Sealed bids should be sent to the Salt Creek Watershed Joint District No. 104, P.O. Box 11, Osage City, KS 66523, postmarked by March 13, 2002, or may be hand delivered to the Bank of Osage City, 9th and Market Streets, Osage City, prior to the 1:30 p.m. bid opening on March 14, for construction of a floodwater retarding detention dam #115 to be located as follows:

From the west edge of Osage City: 1 mile north on Highway 31 and 6 miles west on Highway 56 on the south side of the highway, located on the properties of Judy Huffman and Raymond Peterson. NE $\frac{1}{4}$, Section 22, Township 16S, Range 13E, Lyon County, Kansas.

For access to the site, contact Judy Huffman at (785) 528-3855.

Bids will be opened and read aloud at 1:30 p.m. March 14. All bids must be made on the forms provided. Bids received after closing time (1:30 p.m.) will not be considered.

Contractors shall submit a bid for the completed projects as shown on the plans and specifications. No bid will be considered unless all items in the bid schedule are priced. The bid schedule *must* be signed by the contractor submitting the bid.

The watershed district reserves the right to reject any or all bids and to waive any informalities in the bidding procedure.

Copies of the bid schedule, plans and specifications will be available for prospective bidders by contacting Marian Massoth, contracting officer, at (795) 665-7226. A copy of the plans and specifications may be obtained for a \$25 nonrefundable deposit for each set of plans.

The bid form must be accompanied by a bidder's bond in the amount of at least 5 percent of the bid amount or a certified check payable to the watershed district in the amount of not less than 5 percent of the bid amount. After notification of award, the bond or check will be retained by the district as liquidated damages if within 10 days the successful bidder refuses or fails to enter into an agreement and furnish a performance bond, payment bond and proof of insurance in accordance with this bid. Any unsuccessful bidder will have the certified check returned. No bids may be withdrawn after the closing time for receipt of bids.

The successful bidder will be required to execute a formal contract and furnish performance and payment bonds in amounts of 100 percent each of the total amount of the contract.

Amendments to invitations for bids shall be identified as such and shall require that the bidder acknowledge receipt of all amendments issued. The amendment shall reference the portions of the invitation for bids it amends. Amendments shall, if possible, be distributed within a reasonable time to allow prospective bidders to consider them in preparing their bids before the date set for the bid opening. If the time and date set for receipt of bids will not permit such preparation, such time shall be increased to the extent possible in the amendment or, if necessary, by telephone and confirmed in the amendment.

Work must be started within 20 days after receipt of the notice to proceed. The successful bidder is expected to use not more than 90 calendar days to complete the structure. A penalty of \$350 will be assessed for each and every calendar day the completion of the work is delayed beyond the time provided for in the contract, as fixed and agreed liquidated damages. The watershed district has the right to deduct from and retain out of monies that may be then due or that may come due and payable to the contractor the amount of such liquidated damages.

All yardage figures are close estimations and may vary slightly up or down. Construction specifications will be closely followed. Unit quantities are based on design; field conditions may cause variations up or down.

The contractor shall promptly and before conditions are disturbed notify the contracting officer or inspector of any unknown physical conditions at the site, of an unusual nature, differing materially from those indicated or ordinarily encountered. The contracting officer shall promptly investigate conditions. If the contracting officer finds that such conditions do materially so differ and cause an increase or decrease in part of the work, an equitable adjustment shall be made and the contract modified in writing accordingly.

Copies of all bills, bills of lading and/or receipts for materials incorporated into the structure will be required before payment can be made. Partial payment will be made upon completion of specified items or if weather causes disruption of work for an extended period of time.

Direct inquiries to Marian Massoth, Contracting Officer, 4352 E. 141st St., Carbondale, KS 66414, (785) 665-7226.
